Trademark/Service Mark Application, Principal Register

Serial Number: 85508804
Filing Date: 01/04/2012

To the Commissioner for Trademarks:

MARK: Ritlabs (Standard Characters, see mark)
The literal element of the mark consists of Ritlabs.
The mark consists of standard characters, without claim to any particular font, style, size, or color.

The applicant, Ritlabs Inc., a corporation of Virginia, having an address of
    901 N. Pitt Street, Suite 325
    Alexandria, Virginia 22314
    United States

requests registration of the trademark/service mark identified above in the United States Patent and Trademark Office on the Principal Register established by the Act of July 5, 1946 (15 U.S.C. Section 1051 et seq.), as amended, for the following:

    International Class 042: Providing technical operating information, technical support and interactive technical support services relating to downloadable computer software, downloadable computer software, and software contained on digital media and other portable electronic memory for providing portable electronic storage, messaging and e-mail, encrypted and secured data management, and secure electronic data transmission; providing research and development of computer software in the field of mobile applications; providing computer software design, computer programming, or maintenance of computer software; creating of computer programs; and creating, maintaining and modernizing computer software, operating systems, database systems, and web applications.

In International Class 042, the mark was first used by the applicant or the applicant's related company or licensee at least as early as 12/13/1996, and first used in commerce at least as early as 12/13/1996, and is now in use in such commerce. The applicant is submitting one specimen(s) showing the mark as used in commerce on or in connection with any item in the class of listed goods and/or services, consisting of a (n) RitLabs_Specimen1_Class42_.jpg - an electronic image of Applicant's website featuring services under the Applicant's Mark; RitLabs_Specimen2_Class42_.jpg - an electronic image of Applicant's website featuring services under the Applicant's Mark; RitLabs_Specimen3_Class42_.jpg - an electronic image of Applicant's website featuring services under the Applicant's Mark;.

A fee payment in the amount of $325 has been submitted with the application, representing payment for 1 class(es).

Declaration

The undersigned, being hereby warned that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. Section 1001, and that such willful false statements, and the like, may jeopardize the validity of the application or any resulting registration, declares that he/she is properly authorized to execute this application on behalf of the applicant; he/she believes the applicant to be the owner of the trademark/service mark sought to be registered, or, if the application is being filed under 15 U.S.C. Section 1051(b), he/she believes applicant to be entitled to use such mark in commerce; to the best of his/her knowledge and belief no other person, firm, corporation, or association has the right to use the mark in commerce, either in the identical form thereof or in such near resemblance thereto as to be likely, when used on or in connection with the goods/services of such other person, to cause confusion, or to cause mistake, or to deceive; and that all statements made of his/her own knowledge are true; and that all statements made on information and belief are believed to be true.
